Dear Jim:

STATINTL

In accordance with your note of 7 January 1965 I am forwarding Amendment No. 2 to the contract which increases the funding to the full amount of the contract and also covers the increase for the [redacted] and the engineering services at Palo Alto.

STATINTL

Thank you very much for the packing and shipping information you forwarded recently. I think by now you have received advice indicating that the package sizes are acceptable. I discussed this with [redacted] and he in turn talked to [redacted]. We will just have to keep in pretty close touch as to the actual date of shipment inasmuch as aircraft to provide the lift will undoubtably become available on short notice. We will do our best to keep you informed on this matter.

STATINTL

Sincerely,

Art

5. Please indicate your receipt and acceptance of this Amendment No. 2 to Contract No. UT-846 by executing the original and three copies hereof. Return the fully executed original and two copies to the undersigned and retain the remaining copy for your files.
